

Certificate IV in Local Government (Operational Works)

LGA40404

Tailored for Civil Construction and Maintenance Supervisors

This is a nationally recognised qualification, focusing on a wide range of skills required by Team Leaders, Gangers or aspiring Coordinators working in Roads and Related Infrastructure (Maintenance & Construction). The program has been developed in extensive consultation with Civil Works Managers from a broad cross-section of councils. In undertaking this Certificate, participants will gain underpinning knowledge and practical skills across a range of essential topics, covering Civil Construction and Maintenance; Occupational Health and Safety and Supervision and Management.

Program Duration

It will normally take approximately 18 months to complete the learning and assessment for this qualification.

Delivery and Assessment

The program is primarily delivered in a face to face mode with attendance at a central training location in blocks of training usually from 1 to 3 days at a time (depending on topics), spread over 20 days. A detailed timetable will be provided in advance of the commencement date.

A good mix of practical and theory

Participants undertake this qualification primarily by attending off-the-job training and completing practical activities. Where relevant, the classroom training is supplemented with field trips and presentations by industry technical experts. In addition, all trainees can access appropriate support and assistance from qualified trainers at the Local Government Training Institute Learning and Development by telephone and email during business hours.

Assessment

As this is a competency-based program participants will be assessed by qualified Workplace Assessors in class, in conjunction with on-the-job evidence provided by the employer organisation. There are no exams.

Incentives

Incentives may be available for eligible staff as a New-Entrant or Existing Worker Traineeship. Further details on available incentives are available from an Apprenticeships Centre in your area, for information and contact details visit <http://www.australianapprenticeships.gov.au>.
