

# Diploma of Local Government (Operational Works) LGA50404

ALSO RECEIVE A **FREE** DIPLOMA OF MANAGEMENT BSB51107

**The Diploma of Local Government (Operational Works)** is a nationally recognised qualification that focuses on the skills and knowledge required to develop site specific work instructions and practices and ensure the implementation of site management systems, plans and policies. It is designed to suit personnel in operational works/ technical services who have a high level of autonomy and who can apply a broad range of managerial, coordination and planning skills. This will include Technical Services Officers, Coordinators, Operations Managers, Civil Works Managers/ Supervisors etc.

## Course Delivery and Support

The Local Government Training Institute has tailored this program to offer flexibility and on-going support. To achieve this, all participants will receive:

- Orientation session
- Training sessions held throughout the program
- Learner's Toolkit – containing text, self assessment tools and appropriate assessment tasks
- Ongoing email and phone support
- Formal assessment of evidence and project work undertaken throughout the program

## Duration

It is expected that participants will be able to complete the learning and assessment requirements for this qualification within 12 months.

## Recognition of Prior Learning

Recognition of prior learning will be available. Further information will be provided during the course orientation day.

## Fees payable to Local Government Training Institute

Please contact the Business Development Team for more details on the fees applicable for this course.
