

Licence to operate a forklift truck

(TLILIC108A)

This course is a legal requirement for any person who operates forklift. This course will provide the skills and knowledge required to operate a forklift without supervision.

The aim of this course is to train participants in the use of a forklift in accordance with the OHS Act 2000/Regulation 2001 and WorkCover licensing requirements. It provides participants with a licence issued by WorkCover.

Before and during the training, it is vital that you commit extra time to study of course materials. This will ensure you have the best chance possible of completing the assessment exam to Workcover standards and being accredited to use forklifts. Participants who not pass the final assessment can return to be re-assessed. Re-assessment fees apply.

DURATION: 3 days (2 days training, 1 day assessment)

WHAT TO BRING:

- A WorkCover Assessment Instrument and course Easy Guide will be posted to you upon registration for this course. You must familiarise yourself with these documents prior to doing the course. You will also need to bring them along on the day of training.
- For assessment each participant **MUST** have personal identification that adds up to 100 points. Please see over the page for identification requirements. **Participants without ID will be sent home and will not be able to be assessed.**
- High visibility vest or clothing* (available for purchase from the Local Government Training Institute)
- steel capped boots

**** Fees apply regardless of result ****

After the course \$65 must also be paid directly to WorkCover to get A wallet card. This is done at the Post Office. Please also take a passport sized photograph to the Post Office with you.

*** A PPE Kit is available for purchase from the Local Government Training Institute at a cost of \$44 (incl. GST). The kit includes a hard hat, fluoro vest, safety goggles and gloves.**

COURSE OUTLINE:

The national standard for this high risk unit of competency states participants must be able to:

- Comply with OH&S licensing legislation.
- Communicate and work safely with others in the work area.
- Identify hazards associated with the operation of the forklift truck and put in place effective hazard controls for those hazards identified.
- Conduct pre-start-up, operational, moving loads and shut down and secure checks of the forklift truck according to procedures.
- Operate the forklift truck and move loads safely, including driving and manoeuvring, picking up and placing of loads at various stack heights.
- Drive forklift truck with load in forward and reverse, maintaining visibility.

At the completion of this workshop, participants will undertake assessments and need to meet the requirements of the unit **“TLILIC108A Licence to operate a forklift truck”** from the nationally accredited *Transport and Logistics Training Package (TLI07)*.

WHO SHOULD ATTEND THIS COURSE?

Any person operating a forklift must have this licence. Any person operating this equipment must be 18 years or over.
