INFORMATION SHEET FOR EMPLOYERS AND COURSE PARTICIPANTS

On 1 September 2009 WorkCover revised the evidence of identity (EOI) requirements for participants attending general induction training under the *National Code of Practice for Induction for Construction Work* (National Code) in NSW. These changes supersede the EOI requirements that were introduced on 1 July 2008.

This information sheet is designed to assist course participants in meeting the requirements and in completing the new EOI form for Registered Training Organisations (RTO) approved by WorkCover prior to delivering general induction training or undertaking assessment for RPL.

Effective 1 September 2009 participants attending general induction training or being assessed for RPL are required to provide 100 points EOI to a WorkCover approved Registered Training Organisation's delegate (Nominated Trainer) prior to the training being conducted. The EOI presented is to be recorded on the WorkCover Evidence of Identity form (CIC-EOI1).

The acceptable documents are listed in the table below and contain both primary and secondary documents. You can provide only one (1) primary document with secondary documents to form 100 points. Alternatively, you can provide a combination of secondary documents to form 100 points. The combination of documents must contain a date of birth, current residential address, photograph and signature. **Please bring original evidence of identity documents with you.
