

Occupational Health & Safety Consultation

This course in OHS consultation has been developed by WorkCover NSW to meet the training requirements for OHS committees and OHS representatives, as stated in the OHS Regulation 2001.

This course aims to provide participants with:

- knowledge and skills necessary to apply the principles of workplace OHS consultation as an integral part of an effective OHS management system (OHSMS)
- appropriate attitudes to enable OHS committee members and OHS representatives to effectively carry out their functions under OHS legislation.

DURATION: 4 days

COST: On application

FACILITATOR: David Sadler: David is a consultant with Local Government experience who specialises in OHS training and systems and is accredited by WorkCover to deliver these courses.

PREREQUISITES: There are no prerequisites for this course

COURSE OUTLINE

- workplace health and safety
- the role of OHS consultation in the workplace
